ENVIRONMENTAL HEALTH

CHECK LIST FOR OBTAINING LIQUID WASTE HAULER HEALTH PERMIT

1. Register truck(s) with the Department of Motor Vehicles.
2. Insure vehicle(s), and furnish the County of Santa Cruz with adequate certificates of liability insurance. Additionally insured wording is as follows:

County of Santa Cruz, EHS, its officers, agents and employees,
701 Ocean St, Santa Cruz, CA, 95062
3. Review the Procedures for Pumping and Inspecting Septic Tank Systems for the County of Santa Cruz. All companies must comply with all requirements set forth in Chapter 7.42 of the County Code.
4. Obtain a valid certificate from the County Sealer of Weights and Measures for the volume of the tank(s) and submit a copy with the registration form.
5. Set up an account at an approved disposal site. Contact information is provided below.
6. All grease hauler trucks must possess a valid registration certificate issued by the Department of Food And Agriculture. For the most current information concerning registrations, please contact Ross Massey at the Department of Food and Agriculture (909) 825-9445. For a license application you can contact EHS at 454-2748.
7. Register for a permit with Environmental Health Services:
 - a. Complete the registration form
 - b. Submit registration form with required fees and documentation.
 - c. An appointment for an inspection will be made after required registrations and fees have been received
8. Pass the truck inspection and receive a decal.
9. Health permits are mailed after truck has passed inspection.
